## Teaching Parenting the Positive Discipline Way

### Become a Certified Positive Discipline Parent Educator

This is an **online interactive and streamed video workshop** designed for **parents, educators, teachers, therapists, childcare professionals and others who want an effective discipline approach**. This method is based on Adlerian Psychology and integrates social and emotional learning while reducing challenging behaviors. Successful participants will earn recognition as a Certified Positive Discipline Parent Educator and will:

1. Learn research-based effective parenting tools that are mutually respectful, create connection, empower children to feel capable, and encourage children's innate desire to contribute.
2. Deepen your understanding of the Adlerian approach to parenting.
3. Practice facilitating a parenting class and conferences from the position of a non-expert. Experience is not necessary!
4. Learn how to use the manual to facilitate activities for small or large group settings. Teachers and counselors welcome!
5. Join over 20,000 members across the globe who want to create healthy respectful relationships and keep the joy in parenting!
